ADAPTED LEGUME SEEDS

To be eligible for payment under the Soil Conservation Program, it will be necessary that your Seedlings of Legumes be from adapted seed. We offer you a complete list of Leguminous Seeds and Perennial Grasses of "Archias' Sure Seed", quality at prices just as low as quality seed can be bought.

Seed Shortage. With the many contracts now being signed under the Soil Conservation Program throughout the United States stocks of quality will soon be gone. Our stocks at this time are large, but we advise and earnestly urge you to purchase your Seeds NOW.
